

Siegfried

when substance matters

When substance matters. You expect absolute reliability and the very best Swiss quality from a manufacturer of active pharmaceutical ingredients? If so, you've come to the right people. Incidentally, that opinion is shared by regulatory authorities and by our customers, whose demands we meet effortlessly using state-of-the-art development and production technologies.

Siegfried Ltd Untere Brühlstrasse 4 CH-4800 Zofingen Switzerland www.siegfried.ch
Siegfried (USA), Inc. 33 Industrial Park Road Pennsville NJ 08070 USA www.siegfried-usa.com

When substance matters. Biopharmaceuticals is another area where you can rely on us to deliver. We offer a full range of services from gene synthesis to the production of active pharmaceutical ingredients (API) for clinical trial phases I-III via cell line and process development all the way through to DIN EN ISO 9001 and 46001-certified production. Needless to say, all at the top-quality levels you expect from Siegfried and guaranteed by our regular Compliance Board audits.
